## Day 2 — 8 October 2026

TIME	STAGE / ROOM	EVENT
09:00-09:30	Room 1	Lecture
09:00-09:30	Room 2	Lecture
09:00-10:00	Room 2	Polish startups in the tech jungle. Taking the plunge
09:00-09:30	Room 3	Lecture
09:00-10:00	Room 4	Innovative industry as a multiplier of military strength
09:30-10:30	Room 1	Cybersecurity without political bias
09:30-10:30	Room 3	Parenting in the digital age
10:00-10:30	Room 2	Lecture
10:00-10:30	Room 4	Lecture
10:45-11:15	Room 1	Lecture
10:45-11:45	Room 2	A worst-case scenario in cyberspace. Will the cloud save us?
10:45-11:15	Room 3	Lecture
10:45-11:15	Room 3	Lecture
10:45-11:45	Room 4	The resilience of the healthcare system determines patients' lives: system failures, outages, data breaches
11:15-12:15	Room 1	Cybercriminals are after our money and data. What tricks might they have up their sleeves?
11:15-12:15	Room 3	The polish approach to digital government: An obstacle course
11:45-12:15	Room 2	Lecture
11:45-12:15	Room 4	Lecture
12:30-13:30	Room 1	Lecture
12:30-13:30	Room 2	Energy Panel
12:30-13:00	Room 3	Lecture
12:30-13:00	Room 4	Lecture
13:00-14:00	Room 1	Artificial Intelligence in offense and defense. Are we ready for a new showdown?
13:00-14:00	Room 3	We're drowning in "news." This isn't the same information war anymore
13:00-13:30	Room 4	Fireside Chat
13:30-14:00	Room 2	Lecture
13:30-14:00	Room 4	Lecture
14:30-15:00	Room 1	Lecture
14:30-15:30	Room 2	Presentation of the "Cyber Resilient 2030" Report
14:30-15:00	Room 3	Lecture
14:30-15:30	Room 4	AI speaks Polish. What's next for the development of our LLMs?
15:00-16:00	Room 1	Cybercrime, sabotage, and espionage. What changes are needed in intelligence and law enforcement agencies?
15:00-16:00	Room 3	Technological sovereignty, the Polish way. What slice of the pie do we get?
15:30-16:00	Room 2	Lecture

<b>TIME</b>	<b>STAGE / ROOM</b>	<b>EVENT</b>
15:30-16:00	Room 4	<b>Lecture</b>
16:15-16:45	Room 1	<b>Lecture</b>
16:15-17:15	Room 2	<b>Seemingly inconspicuous, yet—smart devices pose a cybersecurity risk</b>
16:15-17:15	Room 3	<b>Robots will be coming into our workplaces, homes, and bedrooms</b>
16:15-17:15	Room 4	<b>CISO 2026: Criminal Liability, Budgets, and Crisis Management</b>
16:45-17:15	Room 1	<b>Fireside Chat</b>
